

2024

REGION CONFERENCE | 20-22 MAY 2024

ABOUT THE VENUE

Marvel Stadium

Located in the heart of Melbourne, Marvel Stadium has welcomed more than 42 million fans through the gates since opening in 2000.

Renowned for regularly staging AFL, A-League and BBL action under the famous retractable roof, it is proud to be home to five AFL clubs Essendon, Carlton, North Melbourne, St Kilda and the Western Bulldogs and Big Bash League side the Melbourne Renegades.

Marvel Stadium is also currently going through a \$225 million upgrade investment by the Victorian Government.

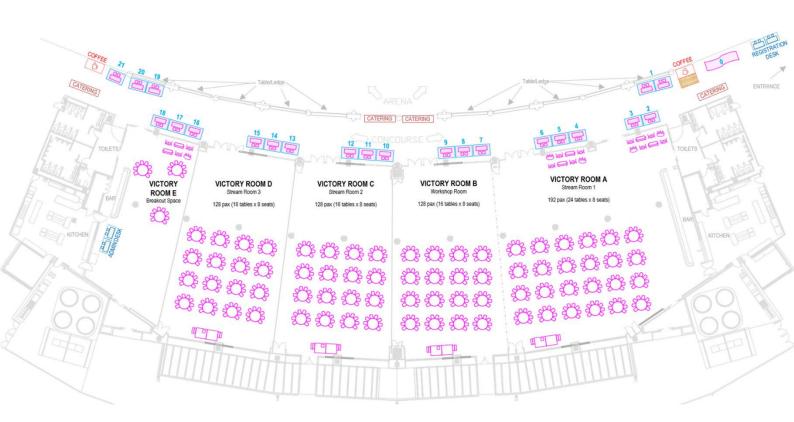

Victory Room

The Victory Room is the largest function room at Marvel Stadium and will be the home of our conference.

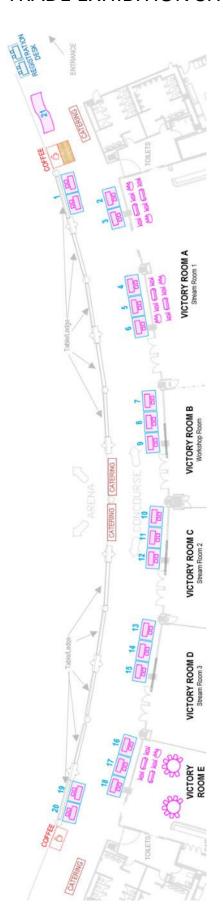

It boasts a large, open, and versatile floorplan of over 2,000 sqm of floor space and 4m ceiling height, with a stylish interior and in-built audio-visual facilities.

On one side, this stunning room boasts floor to ceiling windows with a view over the architecturally striking buildings of Victoria Harbour while the other end looks out to the concourse and field.

In 2023 we celebrated our 150 year anniversary and we are proud to be one of Australia's oldest companies, having grown from an agricultural implement maker to a diversified manufacturing business - specialising in Urban Design Products. Today we are a state of the art design and diversified manufacturing company and we're pleased to say we are still 100% Australian Owned and all our products are sustainably manufactured right here in Australia. We have highly skilled specialists in product design, engineering and a national installation service.

KOMPAN is a global leader in play and fitness, with decades of experience creating happier and healthier Australian communities. Their high-quality outdoor recreational equipment and industry-leading warranties give council teams solutions to combat today's issues like physical inactivity, climate change and access to play & fitness facilities for people of all ages and abilities.

www.kompan.com.au KOMPAN e-Brochure Mark Chatman, Victorian Sales Manager marcha@kompan.com In nearly a century, we've never made a single internal combustion engine. And we never will. In June last year, the well-established Positec Group launched the Kress Commercial brand in Australia. Since 1928, the Kress brand has built its reputation around advanced German engineering, and endorsements from professional users who have operated and trusted Kress tools for 96 years. Today, Kress is committed to ensure the commercial landscape and maintenance industry a zero-emission future. The innovative CyberSystem™ battery technology offers a sustainable transition from petrol- to battery-powered OPE, not only benefiting the environment but, the users' profitability as well.
