14:30	Plan of Management Masterclass	Sportsfields and Turf Focus Panel & Workshop: My Biggest Turf Disasters & Maximising Use on Natural Turf Sportsfields	Exploring Newcastle's Iconic Ocean Baths and Coastal Stretch Technical Tour
	In this presentation, we will cover the essential requirements for developing Plans of Management, the range of legislation you will need to consider, how to use the available templates, and discuss the criteria that the department uses to assess the plans. We will also address common challenges and issues that arise when drafting a Plan of Management (and tips to help avoid them), and look at situations when you should consider developing a site-specific Plan of Management versus a generic plan. <b>Afternoon tea included.</b>	Join industry experts as they dissect real-life turf disasters—what went wrong and how they fixed it. Learn key lessons, common pitfalls, and strategies to maximize sportsfield performance, covering design, drainage, irrigation, and maintenance. This interactive session includes expert insights, case studies, and practical takeaways. <b>Afternoon tea included.</b>	Discover Newcastle's iconic ocean baths and beaches on this guided tour. Visit <b>Merewether Ocean Baths</b> , the largest in the Southern Hemisphere, and explore <b>The Stretch</b> , home to three stunning beaches. Finish at the heritage-listed <b>Newcastle Ocean Baths</b> , recently upgraded for accessibility. Includes transfers, afternoon tea, and expert insights. <b>Afternoon tea included.</b>
	<i>Sandy Hoy, Penny McLennan and Emma Robinson from the Reserves Program Team within NSW Crown Lands</i> <i>Craig Barnes, Australian Land Services</i>		
	Rippit Golf Tour, hosted by Golf Australia		
	Your journey begins with a comfortable transfer to the Rippit Golf Facility, where you'll be welcomed with a short presentation. This session will provide insights into the facility's journey, including its development, community impact, and the diverse demographics that engage with its offerings.  Following the presentation, you'll have the opportunity to explore the different areas of the facility: 🏌️ Driving Range – Test your swing and refine your skills in a dynamic practice environment. 🏌️ Mini Golf – Enjoy a fun and competitive round on a well-designed miniature course. 🏌️ Golf Simulator – Experience high-tech, immersive golf simulations that bring famous courses to life.		
17:00	Networking Drinks - Sponsored by Landmark
